EXPERIENCE

Senior Graphic Designer

*Brigham Young University
Provo, UT*

Graphic designer and consultant at the Missionary Training Center for all MTC design projects, including print, web, multimedia, and video projects. Provides guidance and mentoring on graphic design to other designers and staff.

Art Director/Web Designer

*Rapid Solutions Group
Kansas City, MO*

Designer, graphics project manager and consultant for the DST Vision financial web products, produced by DST Systems. Duties include providing art direction and technical knowledge for internal and DST Vision web and print projects as well as general Macintosh computer support.

Interactive Art Director

*The T&O Group
Irvine, CA*

Provided art direction on web, multimedia and print projects for interactive and agency clients. Duties included management of interactive projects and resources; multimedia development and production; web consultation and video production and editing.

New Media Designer

*Buzzbait
Chicago, IL*

Designer of web, multimedia and general graphics, including corporate identity systems. Duties also included multimedia and web consultation.

Senior Art Director

*iAccess.com
Lindon, UT*

Directing and creating graphics and multimedia presentations, interfaces and demos, artwork for compact discs, packaging and corporate collateral materials. Duties included management of a small team of Graphic Artists and collaboration with Programming teams to develop and create cutting-edge multimedia and web presentations.

Graphic Designer/Layout Artist

*Printing Services
Utah Valley State College
Orem, UT*

Principle designer of print publications for Utah Valley State College. Responsibilities included all pre-press design work and design consulting.

Graphics Coordinator/Designer

*Center for Distance Learning
Utah Valley State College
Orem, UT*

Computer Graphic Designer for Utah Valley State College's Center for Distance Learning. Assisted in production and direction of television courses produced by UVSC. Main responsibilities included conceiving, design and execution of graphical elements for all telecourses using character generation and graphics systems.
